

Bird Dog Parade Information

- WHAT:** The annual Bird Dog Parade will once again kick-off the **2017 National Pheasant Fest & Quail Classic in Minneapolis, Minnesota on February 17-19**. All parade participants will walk the parade route to the ribbon cutting ceremony that will open up the weekend show. This event is unique to National Pheasant Fest & Quail Classic and is highly attended. Last year in Kansas City, we had 75 dogs participate representing 34 different sporting dog breeds.

Each dog owner along with their bird dog will walk the parade route, stopping on the parade stage where your name, dog's name and breed will be announced before each pair continues to the show floor. The parade will begin around 11:00 a.m. and should last about 45 minutes.
