

# Habitat Brochure

## TAKE HABITAT HOME

### WHAT IS THE TAKE HABITAT HOME BROCHURE?

- This brochure contains information about the importance of pollinators and the work we are doing related to creating pollinator habitat across the country.
- The brochure contains a small pollinator seed packet designed to plant a 10'x10' area with instructions on how to plant a successful pollinator habitat project.
- Chapters can purchase these new brochures at a cost of \$100 for 50 brochures (includes shipping cost).

### USES FOR THE BROCHURE:

- Provide them at each place setting at the annual banquet
- Create a raffle by numbering brochures and selling them as raffle tickets at the annual banquet
- Making them available to landowners who visit your local USDA service center
- Providing your Farm Bill Biologist with brochures to handout to interested individuals
- Providing brochures to all participants of your local shooting team or shooting event participants
- Providing brochures to all Learn to Hunt event participants
- Providing brochures to all Pollinator Habitat Project participants

To order brochures, complete the attached order form or contact Anna Swerczek at [aswerczek@pheasantsforever.org](mailto:aswerczek@pheasantsforever.org).
